

Welcome to RHYBL's 2010 Season

Goal

To administer outreach and encourage 150 - 200 youth to play baseball, who face adverse obstacles to succeed, coming from and/or living in the densely Hispanic populated inner-city, low to moderate income areas. Recognizing and using city/neighborhood resources to maximize their academic potential when required.

Philosophy of Youth Sports

The Rochester Hispanic Youth Baseball League Inc., (RHYBL) strongly believes in the benefits of participation in organized sports. Participation in sports has proven to build self-esteem, promote teamwork, develop the body as well as the mind, and is an integral part of the maturation process. Therefore, the goal of RHYBL is to provide the program and venue for young people of all backgrounds to participate and enjoy a recreational program while maintaining a safe, wholesome environment.
