It is my belief that a good baseball learning experience is built on a cooperative effort between parent, child, coach, and volunteer. You as the parent play a major role in helping your child reach his or her maximum potential during this baseball season. By working together, I believe we can all help your child become the best person possible; socially, emotionally and physically.

My expectations for conduct and sportsmanship standards are very high. Your participation and encouragement on and off of the baseball field will be major contribution to your child's success this year.

Please review the discipline policy and behavior expectations with your child, as bad behavior of any sort will not be tolerated in the league. Our league theme is: "I am RHYBL! I am making a difference, are you? Become a volunteer, today." Please join me in becoming part of the RHYBL family and help your child to learn to do his or her best at all times. We need your help and support.
